

SEA BOX®

2 Side Expandable Bicon Six (6) Showers and six (6) Sinks

Maximize your personal hygiene space with this versatile and durable 2 Side, 10ft expandable bicon. The container transports easily via road, rail or sea in it's smallest configuration (10ft x 8ft), then expands to triple its size upon destination. The unit has been ruggedized for field use with stainless steel fixtures and is easy to maintain. Setup and operation is simple, and the container is optimized for power/water consumption and waste disposal efficiency.
