Mr. Jim Brennan Jr.
President, Sea Box, Inc.
802 Industrial Highway
East Riverton, NJ 08077-1910

Dear Mr. Brennan:

Thank you for inviting me to attend Sea Box, Inc.'s Ribbon Cutting Ceremony. Senate business precludes my attendance.

I would like to congratulate Sea Box, Inc. on its recent expansion and its excellent work in supplying our great country's military and shipping industry. Sea Box, Inc.'s new 378,000 square foot facility in Cinnaminson will be an excellent addition to Southern New Jersey's economy, and it is a prime example of "Great Growth in the Great State of New Jersey."

Furthermore, I would like to commend Sea Box, Inc. for its plans to install six acres of solar panels on the roof of its new facility, as it shows a commitment to promoting cleaner means of energy use and industrial production. I remain an advocate for protecting and expanding small businesses in our great state and nation, and I will continue to work tirelessly to ensure that our nation's economy remains a favorable one for small businesses.

Thank you again for your invitation. I hope you have a successful event and best of luck in your future endeavors.

Sincerely,

ROBERT MENENDEZ
United States Senator
